TRAVEL

We have done our best to pick up conventioners from Airports and Rail/Bus Stations, but sometimes it takes us away from the University for longer than we would like, and at the crucial times when we need to be there!

Our friends have been great at helping out as well, but again this takes them away from meeting with people and generally enjoying themselves, which is actually what the convention is meant to be about!

So, while we will do our best if we are available, we would ask that you please make your own way from the Leicester Rail and Bus Stations, it isn't very far, and taxi costs are quite reasonable, and if you add your name to the Taxi Share Forum on the website, then maybe you can share with others, as people tend to arrive around the same time throughout the morning. If you really feel you can't make your own way then please let us know, and we will try and sort something out.

We do, however, recognise it's a fair way from the airports, so will do our best to arrange transport from these to the University. If you are travelling to and from East Midlands or Birmingham Airports, please give details below, and let us know Flight Numbers and times when you have them.

ARRIVAL	Airport	Flight Number (If known)
Thursday/Friday*		
DEPARTURE	Airport	Flight Number (If known)
Sunday		

If you are travelling by car, and can offer a lift, please post a notice on the car share Forum on the website.
